

Witches & Warlocks of Ireland

This child murderer is actively managing satanic witches with Irish ancestry.

The Parsons family are a high level Anglo-Irish nobility with authority over a portion of Ireland within County of Offaly and they specialize in engineering, politics, and law. They are also co-managers of the Hell Fire Club and they burn people alive usually in forests or in industrial basements with furnaces. The Parsons family and their agents need to be eradicated out of existence. Ireland is Roman territory and the top Irish clans serve the Black Nobility of Rome. The Parsons family also gained more influence during the Hanover reign of the British Crown. The Parsons family formerly held titles in England and currently are the Earls of Rosse in Ireland headed up by Brendan Parsons the 7th Earl of Rosse and his sons Lawrence Parsons the Lord of Oxmantown and Michael Parsons. The Earls of Rosse are extremely oppressive Freemasons and they oversee Wiccan gang stalking cults operating in the United States. Their ancestor was Richard Parsons the 1st Earl of Rosse and he was the Grand Master of the Grand Lodge of Ireland and a co-founder of the Hellfire Club. The Hellfire club's motto was Fais ce que tu voudras which means "do what thou wilt" and this motto was later used by Aleister Crowley. Aleister Crowley promoted murdering children as sacrifices in his book *Magick In Theory and Practice*. James Wasserman is a high level member of the Ordo Templi Orientis. A ruthless member of Crowley's Ordo Templi Orientis is a child murdering Satanist named Carey Cowles. He is as evil as they get. The Parsons family specialize in hellish masonic warfare and are deeply involved with the Irish government, politics, and astronomy. Megyn Kelly is the head witch of the Hell Fire Club and she is indescribably wicked. Laura Ingraham is another high level member of the Hell Fire Club. They have held the position of High Sheriff of King's County. The Parsons Earls of Rosse own Birr Castle which has a telescope called the Leviathan of Parsonstown. Leviathan is a mythological sea serpent. The town of Birr formerly called Parsonstown uses the Parsons panthers on their coat of arms and ocean waves for its flag. There are various US politicians with the last name Parsons. Irish nobility are often involved in politics. The McCain family are an Irish-Scottish bloodline involved with politics, banking, and business. They are associates of the Parsons

family and serve the House of Hanover. They are married with the Johnson family and established themselves in New Brunswick. The Hanover family manage the Johnson bloodline and ruled as Dukes of Brunswick, Germany which created the name New Brunswick in Canada. Han in Hanover is for Johannes the German version of John. The founders of McCain foods were from New Brunswick, Canada and the founders of Johnson and Johnson were from New Brunswick, New Jersey. Allison McCain is the Chairman of McCain foods. The name McCain derives from Cain the first murderer mentioned in the Bible. The McCains are Christians and they are ruthless and hate filled murderers. Randal Plunkett the 21st Baron of Dunsany is a high level Irish Freemason and he works with Princess Vittoria Colonna di Stigliano a Roman and her sister Princess Lucrezia Colonna di Stigliano. The Colonna di Stiglianos settled a family branch in Ireland recently and they manage the Grand Lodge of Ireland and the Roman Catholic Church with Diarmuid Martin the Archbishop of Ireland. Princess Vittoria is known by the occult as the "Whore of Babylon." Princess Vittoria and her blood drinking child murdering cult babbles psychotic nonsense and demented and ruthless false accusations as a defense.

Charles Algernon Parsons was a member of the Earls of Rosse and an inventor of the steam engine and created C. A. Parsons and Company which was later absorbed into Siemens a large industrial company with about 130 billion in assets. Ralph M. Parsons founded Parsons Corporation which is a US engineering company with earnings at about 3 billion which has worked with Daniel, Mann, Johnson & Mendenhall a company co-founded by S. Kenneth Johnson. Parsons Brinckerhoff is another US engineering company founded by William Barclay Parsons and now a subsidiary of WSP Global. William W. Parsons was NASA's Director of Kennedy Space Center. Jack Parsons was a rocket scientist and occultist that was known for creating "Babalon Working" which is a ritual to honor the Mother of Abominations and he carried out this ritual with the Scientology founder L Ron Hubbard. The Mother of Abominations is also known as the Scarlet Woman. In Italian Rosse means red or scarlet and the name Rosse likely comes from the Florentine House of de Rossi in honor of Rome's conquering of Ireland. The Babalon Working ritual was based on the teachings of Aleister Crowley. The Crowley family are a Anglo-Irish family that have intermarried with various British Peers. Brian Crowley is an Irish politician today. Tony Parsons and Gary Crowley have worked together in the English music industry. The Parsons family also work with the Anglo-Irish Bailey and Guinness banking families and are involved in financing and directing Wiccan cults that carry out persecution, human sacrifice, and covert terrorism for the purpose of their attempt at a global takeover. A high level witch, gang stalker, and child murdering pedophile and cannibal in my region is named Meghan Parsons who is their Vicar of Calypso. The Greek name Calypso means hidden like occult. She is one of the highest level satanic witches in society. Meghan Parsons is completely evil and relentlessly falsely accuses other women for her crimes. She is a huge problem in society. She also slanders people especially women she is envious of and then blames men for it. She is sick and hellish. Meghan Parsons needs to be executed immediately. She is entirely evil and one of the most oppressive females on the planet. Meghan Parsons says mean things about women and then blames men for it. This is similar to what Richard Parson did. He received a letter that exposed him for his crimes and depravity so Richard Parsons sent that letter and readdressed it to Robert FitzGerald accusing him of his crimes. Meghan Parsons worships the actor Jesse Johnson who is a child molester, blood drinker and psychotic terrorist that attacks other men out of envy. Meghan McCain works closely with Meghan Parsons. Meghan McCain's grandmother is a Johnson. Meghan McCain is a highly sadistic witch and her mother Cindy McCain is an evil witch.

Richard Parsons, the 1st Earl of Rosse, was arguably the **highest status of the Irish Hellfire Club members**.

Parsons was known for his practical jokes that he particularly liked to inflict upon the religious. He used to reportedly receive his neighbour, the noted clergyman and moralist Dr Madden, completely stark naked. By the age of 39, the years of excess caught up with him. It is reported that on his deathbed, he received a letter that was simply addressed to 'My Lord'. The letter was sent by his neighbour, the Reverend Dr Madden.

It contained an account of all of the Parsons' misdemeanours in his life

"whoring, gaming, drinking, rioting, turning the day into night, blaspheming his maker, and in short, all manner of wickedness".

The letter urged him to repent his sins. Instead of yielding or confessing, the Parsons saw a final chance for a jape. He had the letter put into fresh binding and **ordered it to be immediately delivered to Robert FitzGerald**, the famously straight-laced and pious Earl of Kildare. FitzGerald was reported to have been enraged when he received this **baffling attack on his character**. By the time FitzGerald had confronted Madden and realised who had played the trick, Richard

Parsons had died, enjoying one last laugh at the expense of the sombre society that he so delighted in shocking in life (3, 4).

Scientist Who Conjured Spirits with L. Ron Hubbard

Born 100 years ago, Jack Parsons seemed devoted to reconciling opposites, smashing together the technical and the spiritual.

Parsons made this fact even clearer when he started to develop a growing interest in magic and the supernatural. By the late 1930s, he had begun **frequenting nightly meetings of the Ordo Templi Orientis, an occult society that met in nearby Los Angeles.** The OTO, as it is known, was **created by the English occultist Aleister Crowley**, a heroin-addicted, sexually adventuresome, God-profaning master of the dark arts, who the tabloids had christened "**The Wickedest Man in the World.**"

Randal Plunkett the 21st Baron of Dunsany is a high level Irish noble and Freemason. Here he is posing with a chess board which uses the Freemasons' black and white checkerboard pattern.

Baron Randal Plunkett doing the Illuminati pyramid with his hands with a leopard skin in the image. The leopard is a symbol used to represent Dionysus a Greek entity of ritual madness, wine (blood) drinking, and harvest (human sacrifice). Prince William is their Vicar of Dionysus.

Diarmuid Martin the Archbishop of Dublin is the top Roman Catholic authority in Ireland and he is covertly managed by the Colonna di Stigliano family. Diarmuid Martin is a member of the Hell Fire Club and child murdering cannibal.

Princess Lucrezia Colonna di Stigliano is a cannibalistic and blood drinking child murderer. She gets intoxicated on the blood of children and goes into intentional psychosis as she mentally terrorizes people. The Colonna family have neuro-computer interface technologies and electronic weapons. Her family resides in Ireland and they are from Rome.

Princess Vittoria Colonna di Stigliano is a Roman noble who lives in Ireland and she is a babbling psychopath and major child murderer. She is the head of the Illuminati's Project Monarch mind control and that is why she has a monarch butterfly on her hat. Monarch Mind Control is a program that turns women into sexual predators and assassins. Princess Vittoria manages thousands of female gang stalkers including a psychotic sadist named Ashley Esther Dalene who is a babbling devil. The butterfly symbol is often used in entertainment industry for young women. Disney frequently uses butterfly symbols around young women and girls. Princess Vittoria's father Prince Prospero Colonna di Stigliano is a top authority in Ireland and he manages the Roman Catholic Church in Ireland and oversees the Grand Lodge of Ireland. Princess Vittoria is their "Whore of Babylon" because she is a satanic whore that rapes, murders, and cannibalizes children and uses babble as a defense. They harass people with babbling nonsense to create confusion and

irritation as a defense mechanism. The Whore of Babylon is described in the Bible as wearing purple like Princess Vittoria and having a golden cup in her hand and here she is holding a glass of wine. It says she intoxicates people with the "wine of her fortification" which represents how these evil women molest children and murder them and then extract adrenaline and adrenaline filled blood from their victims which they get intoxicated from. The same ones or bloodlines like the Colonnas that are doing this are the ones who put together the Bible and Revelation.

https://en.wikipedia.org/wiki/Whore_of_Babylon

The **Whore of Babylon** or Babylon the Great is a **symbolic female figure** and also place of evil mentioned in the Book of Revelation in the Bible. Her full title is stated in Revelation 17 (verse 5) as Mystery, Babylon the Great, the **Mother of Prostitutes and Abominations of the Earth** (Greek: μυστηριον, Βαβυλῶν ἡ μεγάλη, ἡ μήτηρ τῶν πορνῶν καὶ τῶν βδελυγμάτων τῆς γῆς; transliterated Mysteriōn, Babylōn hē megalē, hē mētēr tōn pornōn kai tōn bdelygmātōn tēs gēs).

With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been **made drunk with the wine of her fornication**.

And the woman was arrayed in **purple and scarlet colour**, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

And **upon her forehead** was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

https://en.wikipedia.org/wiki/Babalon_Working

The **Babalon Working** was a series of **magic ceremonies or rituals** performed from January to March 1946 by author, pioneer rocket-fuel scientist, and occultist **Jack Parsons** and Scientology founder **L. Ron Hubbard**.^[1] This ritual was essentially designed to manifest an individual incarnation of the archetypal divine feminine called Babalon. The project was based on the ideas of **Aleister Crowley**

Of the Bloody Sacrifice: and Matters Cognate.

For the highest spiritual working one must accordingly choose that victim which contains the greatest and purest force. **A male child of perfect innocence and high intelligence[8] is the most satisfactory and suitable victim.**

James Wasserman is a high level member of the Ordo Templi Orientis and a brainwasher like many OTO members that claims that child sacrifice and terrorizing people with witchcraft is liberty based on the teachings of Crowley and his motto of "Do what thou wilt." Ordo Templi Orientis is under the authority of the Hell Fire Club. Since members of the Hell Fire Club and Ordo Templi Orientis support and promote the murder of children then I support and promote the killing of members of these child murdering cults.
